

Solutions for your organization. Quality of Life for your employees.

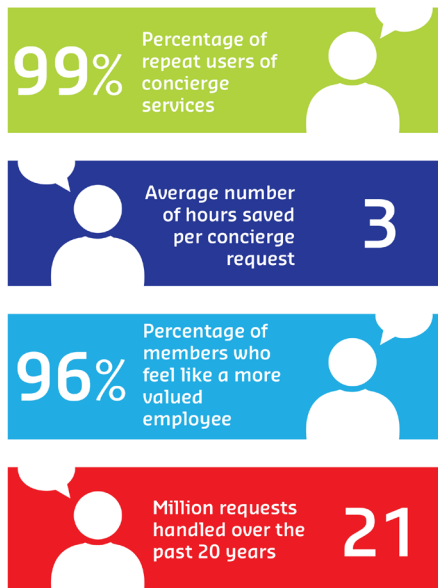

## BENEFITS

By providing a compelling, distinguished benefit that is accessible to your employees regardless of geographic location, you will:

- Recruit and retain top talent
- Improve work/life blend
- Promote staff productivity and focus at work
- Enhance employee satisfaction and loyalty
- Reduce employee turnover

## Circles Outcomes

## FEATURES

Circles takes care of your employee's to-do list. The program is customized to meet your specific business needs with features such as:

- Branded toll-free number and email address
- Digital portal that provides self-service and allows users to submit requests, chat with a concierge agent and view promotions/services
- Comprehensive marketing communications plan including launch materials and monthly outreach to drive awareness
- Quarterly reporting and annual review of program
- Plus-1 benefit for spouse/partner

## SERVICES

World-class experiences delivered by our team of experts combined with our partner network provides a full breadth of services such as:

- Full-service travel capabilities
- Dining suggestions & reservations
- Home services
- Tickets to sporting events, music, theatre
- Research & discounts on flowers and gifts
- Product research and comparisons
- Health and wellness
- Event and team building planning
